

To Love and Serve

Trinity-by-the-Cove

Enjoy – Explore – Engage
2018-2019

The Mission of Trinity-by-the-Cove Episcopal Church is to spread the Good News of the Gospel and provide a loving and compassionate environment for the continuing transformation of a life in Christ Jesus. We believe this journey is shaped by God through worship, learning, friendship, and service to others

The Vision of Trinity-by-the-Cove Episcopal Church in the next 20 years is to continue our excellence in worship, commitment to pastoral care and to develop fully our facilities and programing so that Trinity-by-the-Cove becomes the leader among Episcopal churches in creating, implementing and growing formation programing that transforms people into strong, compassionate, intelligent and faithful Christians who are prepared, willing and excited to engage in leadership within our churches, communities, states, nation and world spreading the Good News of the Gospel and offering care and compassion to people in need.

The Christian Journey is just that—a movement or journey of the soul toward God, ever growing in holiness. We can experience this journey through and in our life in church. Theologians have summarized and explained this journey for thousands of years. Perhaps at Trinity-by-the-Cove, we can see this journey through the words enjoy, explore and engage.

Enjoy: To enjoy is to relish and love! Parishioners at Trinity-by-the-Cove enjoy being part of a welcoming and vibrant community. It's one of the first steps in the Christian Journey. We gather together on Sundays for worship, spend time chatting during coffee hour and socialize during special fellowship events. Many newcomers and members alike remark on the warmth of welcome they experience at Trinity-by-the-Cove. A step to entering into a full and vibrant relationship with God is to enjoy being in God's presence through worship with the beautiful music and bright space in the church, and in fellowship with other Episcopalians

Explore: At the end of each worship service, the priest offers a dismissal—Go in peace to love and serve the Lord or Let us go forth in the name of Christ. The hour we spend in church blooms into a next step when we explore the breadth of ministries and opportunities at Trinity-by-the-Cove through learning, growing in friendships, and experiencing prayer and healing.

Engage: Even as relationships and the feeling of being at home grow in church as faith blooms, spiritual fruit begins to grow as we engage in ministry to other people in our midst—reaching out arms of love into the world through service projects and fully using our gifts of time, talent, treasure, and telling. The Christian Journey develops into servant leadership and loving care for aspects of the church's mission and ministry.

Your Work: These pages are not meant to limit your potential, but rather to encourage you on your journey. Our journeys are all unique and guided by our own experiences and spiritual gifts. As you follow the path from enjoy, explore to engage, see what God might have in store for you in your growth and ministry. The next step is to read through the opportunities and offerings and complete the *Trinitarians Together Make a Difference* form, which is used by our Parish Life Coordinator to connect you to the opportunities and offerings that you identify as of interest to you.
